ABOUT

The Moncton Basketball Association is the longest-standing, most inclusive, accessible, and affordable basketball association in the Moncton area providing the most exposure for youth to basketball skills growth opportunities, competition, and fun!

At MBA, competing is more important than winning, hard work creates success and the value of children playing a game must never be overlooked. We ask all who play a role in our association, players, coaches, officials, volunteers, and parents to keep these objectives paramount.... we serve the children!

MISSION: To grow the game of basketball by making it accessible for youth of all ages and skill levels.

VISION: Every youth who participates in MBA programming is a life-long lover of the game of basketball.

COACH DEVELOPMENT

The Moncton Basketball Association recognizes the unique opportunity in sports to help youth develop physical, social, emotional, and cognitive skills. Our coaches are key to this process.

This season, each coach will receive their own coaching kit; including basketballs, pinnies, cones, agility ladder, whiteboard, whistle, hand pump, and practice plans.

Our coaches will have the option to receive development training 3-4 times throughout the season and have access to experienced coaches for ongoing support.

We appreciate our volunteer coaches and make it a priority to provide a positive experience for all!

"A good coach can change a game. A great coach can change a life."
- John Wooden

RECREATION & COMPETITIVE TEAM PROCESS

All youth who register in Moncton Basketball Association will have the opportunity to play recreational basketball. We will have an evaluation process on the weekend of **September 18-19, 2021** for everyone registered with the exception of Jr Puppy and Puppy. This process helps us divide the teams fairly. Recreational teams receive one practice and one game per week.

For youth who are ready to make a bigger commitment and develop their game; we have the competitive provincial program. Tryouts for this program will take place the week of **September 20-25, 2021**. These teams will have additional practice each week and travel to various games and tournaments around the province. There are additional fees for this program, approximately $150 plus travel expenses.
