

**MONCTON BASKETBALL ASSOCIATION
PLAYERS' CODE OF CONDUCT**

The goal of Moncton Basketball Association is to build a strong foundation of basketball in our community and to positively impact the players. The hope is that all players have an opportunity to deepen their passion for the game and take away the life lessons that this sport develops.

- I will treat the coaching staff respectfully.
- I will respect the game and give it my all during practice and games.
- I will be respectful and courteous to my teammates.
- I will be respectful in public and display good character as a representative of Moncton Basketball Association.
- If I have a problem with a teammate, I will talk to the coaching staff to attempt to solve the problem.
- I will be committed to being a team player.
- I will demonstrate sportsmanship, play fair and set an example.
- I will value the instruction of my coach and the time given by all volunteers in the Moncton Basketball Association program.
- I will show respect towards officials.
- I will use social media platforms as a positive outlet to promote players, teammates, teams, coaches and others involved in basketball.
- I will use social media to show the same respect and regard for people that I would show when playing or attending a basketball game.

Enjoy the journey! Win or lose, enjoy every moment on the court both during the games and during practice. Basketball should be challenging, tiring, hard work and fun.
